### Letter 2 Update E-books Downloads

Dear Parent,

We are pleased to inform you that for the upcoming **2020 – 2021** academic year (AY2021) students in levels E – N (Grade 3 – 12) will continue to use tablets.

**Students may begin to download their AY2021 SABIS® e-books as of Thursday, August 27<sup>th</sup>, 2020.**

*Note: Students must download all of their e-books prior to the start of the upcoming academic year.*

***Note: Students in grades 4-10 will have E-books only (no hard copies) as previously communicated.***

Prior to downloading the AY2021 SABIS® e-books, **students are required to:**

- Delete all e-book files from the tablet by going to *File Manager* or *My Files*, locating the *net.sabis.bookshelf* folder within *Internal Storage* or *SD card* and deleting it.
- Install the following applications from the Google Play Store.
  - **SABIS® E-books**
  - **SABIS® Keyboard**

*Note: Detailed instructions on how to set up a student tablet are available within the SABIS® Student Tablet Setup document on the SABIS® Digital Platform.*

---

As a reminder, for the optimal experience, we recommend that tablets have the following technical specifications.

Recommended Specifications	
Operating System	Android™ Version 9.0 or above
Internal Storage	32 GB or above
Processor	8 Core or above
CPU Frequency	1.6 GHz or above
Memory (RAM)	2 GB or above
Screen Size (diagonal)	10.1 inches or above
Resolution	1920 x 1080 or above
SD Card Supported	Required
Stylus	Preferred

*Note: SABIS® E-books are supported only on Android™ tablets.*

Tablets with technical specifications less than the above recommendation may experience slower and/or inconsistent performances with the use of SABIS® digital products.

Please note that a tablet purchased with the above technical specifications is expected to be usable for up to 3 years, after which a replacement may be expected.

For AY2021, tablets with Android™ version below 7.0 may not be used.

For AY2122, tablets with Android™ version 7.0 or below may not be used.

We look forward for yet another successful utilization of SABIS® digital products in levels E – N during the upcoming academic year.

If you have any questions, please do not hesitate to contact us.
